2010 Information

West Virginia State Parks and Forests
1-800-CALL WVA
www.wvstateparks.com

MAKING RESERVATIONS AT WEST VIRGINIA STATE PARKS AND FORESTS

For reservations for rental of lodge rooms, cabins, or cottages at West Virginia State Parks and Forests, dial toll free, **1-800-CALL WVA** and ask the call center for the park or forest of your choice. If the call center is off-duty, call or write the park or forest directly.

Online reservations are available for lodge rooms and for cabins and cottages at parks with lodges. Reservations may be made up to two years in advance from the first day of the month at these areas. Park names that are underlined in this booklet indicate that online reservations are available.

Parks and forests without lodges currently do not have online reservations, however, each park has information online as a resource. Reservations at these areas may be made up to one year in advance from the first day of the month.

CABINS AND COTTAGES INFORMATION

All rental types are furnished and equipped for housekeeping. Utensils, flatware, dishes, dish towels and cloths, sheets, pillowcases, blankets, bath towels and washcloths are provided. Check-in time is generally 4 p.m. and check-out is 10 a.m. Ask when making your reservation as these times may vary slightly from park to park.

RENTAL TYPES

Cottages, modern (deluxe) cabins, and the Cass company houses are rented year-round. Standard, bungalow and pioneer cabins close during the winter season.

Cottages: Feature upgraded amenities and contemporary design. Generally, ADA units are cottages.

Modern cabins: Frame construction with wood paneled walls, open fireplaces, and forced air heat; showers; air conditioning is available in some cabins.

Standard cabins: Usually of log construction; open fireplaces for heat; equipped kitchens; showers. These units close during the winter months.

Bungalows: One-room with combination kitchen-bedroom. Built-in double bunks, small bath and shower.

Pioneer cabins: Equipped with gas lamps, wood burning kitchen stove, fireplace for heat, and gas refrigerator. At pioneer cabins, water and sanitary facilities are outside. Coin shower and laundry facilities at Forest Headquarters.

RENTAL PERIODS

Cabins and cottages are rented on a weekly basis from the second Monday in June to Labor Day at most areas. The exceptions to weekly rentals during this time period are indicated in this publication and vary area to area.

Daily rentals or less than one week rental options are available from Labor Day to the second Monday in June at areas open year-round and at those areas that are open seasonally.

On occasion, special rental packages and rental times are offered and will vary area to area. Ask the specific area for details or go online for information.

RESERVATIONS

Four nights or more requires a deposit of one half the rental fee; three nights or less require payment of the full rental fee. Phone reservations have 10 days to make a deposit payment.

PETS

Pet friendly (dogs and cats only) cabins or cottage units are available at all parks and forests except Stonewall Resort. There is a reservation fee associated with this service. Pet policy information is available online or ask the specific park to provide the pet policy and associated forms that may be required. Not all cabins are pet friendly in order to accommodate guests without pets.

CANCELLATIONS

Deposits will be refunded (except any handling fees) if notified 30 days in advance. Additional charges, deposit payments, reservation and cancellation policies, and restrictions may apply.

COTS AND CRIBS

Where cots are available there is \$10 per night charge. A \$5 handling fee is charged if cots or cribs are not reserved in advance. Cribs are available. Rental fee may apply.

LODGE ACCOMMODATION INFORMATION **RENTAL PERIODS**

Lodge rooms are rented on a nightly basis, year-round, with the exception of Tygart Lake. Tygart's lodge closes in winter months. Rates vary seasonally and some lodges may require a minimum of two or more night rentals on special weekends or holiday periods.

RESERVATIONS

First night's rental rate is required as a deposit. Rates are quoted at the time the reservation is made. Children under the age of 12 stay free in parents' room. There is generally no additional charge for cribs. Reservations made by phone have 10 days to make the required payment.

CANCELLATIONS

In case of cancellations, deposits will be refunded if notice is given 48 hours in advance; at Canaan Valley and Stonewall resorts a 72-hour advance notice is required.

COTS AND CRIBS

There is no charge for cribs reserved in advance. Cots are generally not available for lodge rooms. Crib and cot availability may vary from area to area.

MISCELLANEOUS INFORMATION

Personal checks, cash payments with identification, and major credit cards are accepted (VISA, Master Card, Discover, American Express, and Diners Club). Two party checks are not accepted. Charges to credit card occur at the time the reservation is made. Some parks require more than one night as a minimum stay and deposit of more than one night may be required. Group bookings are subject to group services guidelines. Except for weekly cabin rates or packaged rates or 3- or 4-night rentals, rates in this publication are per night. **Prices are subject to change without notice. Published rates do not include state sales tax and applicable hotel/motel tax.** This publication serves as a reference. Rental rates are quoted at the time of a reservation.
